

Simply Flinkster.

You want to get around town, you travel a lot and need to have easy, flexible access to a car near a train station or home? Flinkster is the ideal way of completing the last section of your journey after disembarking from a train, and it is the perfect way to enhance mobility in urban areas.

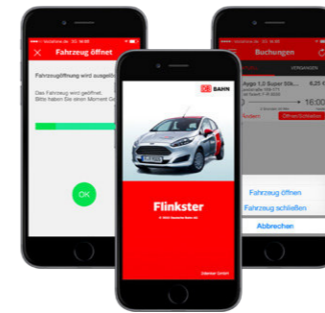

Flinkster is the simple carsharing system with the largest network in Germany. At any time of the day or night, you can choose between various vehicle classes and models including electric cars – in Germany and even in other countries. Simply take a car from our dedicated parking spots without waiting or searching for a space. No running costs are charged and you only pay for the time you actually use the car. Book for as little as one hour.

Simply affordable.

- **Simple:** Register, book, drive.
- **Everywhere:** Over 2,000 locations across Germany and with over 4,000 vehicles.
- **Fair:** Modest registration charge (for BahnCard customers no charge), no fixed costs and no monthly fee (nationwide rate).
- **Affordable:** You only pay for the time you use the car – a minimum of one hour, from as little as EUR 1.50, then billed on a half-hourly basis.
- **Eco-friendly:** Sustainable travel. The Flinkster fleet, which includes electric cars, is used by many people.

Simply use.

- Book online, on our hotline or via a smartphone app.
- Open the car with your customer card, driving licence (with chip) or **straight from your smartphone.**
- Simply drive. The key is in the glove compartment. Use it to lock and unlock the car during your rental time. You will find a parking card in the glove compartment or behind the sun visor.
- Returning is easy. Just take the car back to where you picked it up and put the keys in the glove compartment. Lock the car with your customer card, driving licence or smartphone.
- If you want to end your journey ahead of schedule – no problem. You'll get half of the money for the unused rental time returned to you automatically.

Simply protected.

The security package reduces the excess payable by you in the event of damage from EUR 1,500 to just EUR 300. It costs just EUR 90 a year and can be cancelled up to six weeks before the end of a quarter.

Simply powered.

You only have to top up the tank if it is less than one quarter full towards the end of your journey. Pay for fuel and cleaning with the fuel card in the on-board logbook or above the key safe.

Simply register.

- Register at www.flinkster.de and locate your nearest DB sales point.
- Go there with your driving licence, ID card and BahnCard, if you have one, and collect your customer card/driving licence chip.

Simply everywhere.

As a Flinkster customer you also have direct access to our vehicles in Austria and to our partners in the Netherlands, Switzerland and Italy. In addition, you can book rental cars at many holiday destinations worldwide in cooperation with our partner CarDelMar and receive a 3% discount. You will find an up-to-date list of all locations at www.flinkster.de.
